Thank you so much for being a part of my exciting new business! I am thrilled with the beauty and quality of Premier Designs Jewelry and I know you will be too! This is not costume jewelry. It is high Fashion, heavily layered in 14K gold or sterling silver.

All of our pieces carry a wonderful Guarantee. You are buying quality pieces that will be your favorites for years to come! Versatility is built into many of the pieces and as your own consultant, I can teach you new ways to wear your jewelry.

Many of our pieces are designer inspired to look like fine jewelry at a fraction of the cost. You will get lots of fashion ideas and learn new ways to accessorize, so please plan on attending Nov. 13th.

average hostess receives over \$200 in Free Jewelry! Please take a moment to look over the benefits you would receive for holding a show. It is not my plan to depend on friends and family for all my business. I would appreciate doing a starter show for you where I could meet other woman that I don't know and begin building my business in many areas. And of course, I'd love to get my friends lots of free jewelry for being a hostess! See you November 13!
